

Kinder Summer Reading 2019-2020
Howard B. Wigglebottom: Learns to Listen

Please read this book with your child during the summer. When school starts in August, we will use this book to introduce the Character Counts Pillar of: Trustworthiness, Responsibility, Respectfulness, Fairness, Caring, and Citizenship and find out about ourselves and each other. We will also make an "I am Me" poster during to cumminate the summer reading.
