

Presidio School Student Supply Requests

The following lists are supplies requested by Presidio teachers for use by your children. The lists are supplies needed for each quarter of the school year. They should be replenished at the beginning of each grading period unless otherwise specified. We understand that purchasing school supplies may be financially difficult for some of you; please know that the school will provide all materials that your child will need to be successful in his/her academic pursuits. We would however appreciate it if you are able to provide at least some of the basic supplies such as pens, pencils and writing paper. For those of you who are able to provide supplies in addition to those for your child's use, your generosity is greatly appreciated! All supplies that you bring for student use in grades K-5 is pooled and combined with materials provided by Presidio for use in your child's classroom, so please do not put your child's name on the supplies. For students in junior high and high school, the supply list is divided between individual student need and classroom requests. If you are donating extra supplies to your child's class(es), please attach your name so that we may thank you for your kindness and provide documentation for your taxes.

► **Presidio School has purchased Character Counts Academic Planners for all students in grades K-8** ◀

□ **All classes always need Kleenex, hand sanitizer, and white copy paper!**

Please use the first letter of your last name to determine the following:

- 1 container Clorox-type wipes (A-L) □ 1 roll paper towels (M-Z)
